(NOTE: The following is an addendum that was posted by Ed L. in 12/03)

The list above contains all the models listed in the Blue Book as made in Italy and manufactured before 1972. Those manufactured after that have plastic innards and at about that point, Necchi shifted the majority of production offshore.

**According to the Blue Book, other models made in Italy:**

538 - 1972-80  
539 - 1972-80  
555 - 1975-82  
565 - 1973-78  
582 Sylvania - 1973-78  
584 Sylvania Multimatic - 1973-78  
586 Sylvania Maximatic - 1973-78  
592 Logica - 1985-89

Necchi model numbers are not sequential, cannot be used to determine manufacture date or country of origin, and some are even duplicated. Again, according to the Blue Book:

502 - Taiwan 1985-98  
503 - Taiwan 1986-89  
505 - Taiwan 1991-98
